

19 March 2020

OFFICIAL STATEMENT
Foreign students at UNAM

In relation to the public health emergency caused by the COVID-19 pandemic, UNAM, through DGECI, recommends the following:

1. Comply with the measures determined by UNAM for the prevention and control of COVID-19, which are updated regularly:
https://www.canva.com/design/DAD0X5_GEFq/fiGIm3qjXD7GZow9S2knag/view?website#1
2. Continue your academic program in accordance with the instructions established by the school, faculty, center or institute undertaking mobility.
3. Follow the measures dictated by your home government and institution.
4. Verify the validity and conditions of your health insurance.
5. If you change your address or mobile number, send an email to DGECI and to the person responsible for mobility at the faculty, school, center or institute where you are carrying out your academic stay.
6. If you show symptoms of acute respiratory infection (fatigue, shortness of breath and/or difficulty breathing, and fever), contact the Epidemiological and Health Intelligence Unit (Unidad de Inteligencia Epidemiológica y Sanitaria): Tel: 800 0044 800; Locatel: Tel: 56581111; or UNAM's Preventative Care Clinic for Travelers (Clínica de Atención Preventiva del Viajero): Tel: 554313-0190; or send a text message to the number 51515 with the word: **covid19**

If you decide to return to your country, send an email to DGECI and to the person responsible for mobility at the faculty, school, center or institute where you are carrying out your academic stay.

Kind regards,

DIRECCIÓN GENERAL DE COOPERACIÓN E INTERNACIONALIZACIÓN
