Institutional Information

Institution Name: University of Regina

Country: Canada

Location: The main campus is located in the city of Regina in the province of Saskatchewan.

Website: <http://www.uregina.ca>

Description: The University of Regina has roots in Regina College, a small residential high school established by the Methodist church in 1911. The College grew in size and significance becoming a campus of the University of Saskatchewan and, ultimately, an independent degree granting university – the University of Regina – in 1974. Currently, it is one of Canada's top 10 comprehensive universities.

Support is our strength: From the moment we meet you and your family, until the moment you find employment after graduation, we provide personalized services to encourage and assist in your academic and career needs.

State of the art facilities: Come and discover our new campus. It is modern, clean and convenient.

The U of R is a global community: We are large enough to host students from over 90 countries, yet small enough to give you a more personalized and focused academic experience. You can get to know your professors and faculty members. The student to faculty ratio is 20:1. We Also have many associations that you can get involved with. Check it out!

Institution Name: Universidade Estadual Paulista

Country: Brazil

Location: UNESP's knowledge education complex comprises 34 units in 24 cities, being 23 in the countryside (one at the coast of the state) and one at the capital of the state, where its administration is centralized.

Website: <http://www.unesp.br>
<http://www.unesp.br/international/>

Description: UNESP is a large, publicly-funded university (not to be confused with the Universidade de Sao Paulo), which offers a wide variety of academic programs. It is generally considered to be among the top universities in Latin America.

Listed among the three largest and most important Brazilian universities, UNESP stands out as an example of extreme success among the multicampus institutions around the world. As one of three public universities maintained by the government of the state of São Paulo, UNESP offers quality education while developing strategic research and interacting with the society through the provision of services for the community.

For more information on Universidade Estadual Paulista please visit the university's webpage: <http://www.unesp.br>

<http://www.abo.fi/exchange>

Institutional Information

Institution Name: Abo Akademi University

Country: Finland

Location: Turku, Finland (Population 190,000)

Website: <http://www.abo.fi>

Description: Åbo (Turku in Finnish) is a bilingual city of approximately 190,000 inhabitants situated on the southwest coast of Finland, right at the mouth of the Aura river which cuts through the city. It is the oldest university town in Finland and was the capital of Finland until 1812. In addition to Åbo Akademi University, there are many other higher education institutions such as the University of Turku and Turku University of Applied Sciences, making it a lively student town. The city offers a wide variety of cultural experiences, such as museums and music, dance and theatre events, as well as sports activities. Åbo offers great opportunities to explore the rest of Finland, including the archipelago, the capital Helsinki (located 160 kilometers east of Åbo), Lapland (excursions are organized by international student groups) or St. Petersburg (five and a half hours by train).

For more information on Åbo Akademi University please visit the university's webpage: <http://www.abo.fi>

Institutional Information

Institution Name: MingDao University

Country: Taiwan

Location: Changhua, Taiwan

Website: <http://eng.mdu.edu.tw/>

Description: We aim to cultivate a pure mind, a broad heart filled with the desire to purify the world and its people, and a professional confidence. Students at MDU inhabit an environment like a manor, a graceful academy.

They are not only professional scholars but also people who care about ethnic vitality; they are not only flexible and tactical entrepreneurs but also people who have a taste for art and cultural history. Facing the ever-changing future challenges, students adopt learning methods and abilities that will allow them to refashion themselves as fully competent problem solvers. In terms of life, we hope to cultivate people who are well-versed in humanism, art, and applied technology. As for aspirations, we hope our students can be taught to use good judgment and wisdom in their thinking.
