Description: We aim to cultivate a pure mind, a broad heart filled with the desire to purify the world and its people, and a professional confidence. Students at MDU inhabit an environment like a manor, a graceful academy.

They are not only professional scholars but also people who care about ethnic vitality; they are not only flexible and tactical entrepreneurs but also people who have a taste for art and cultural history. Facing the ever-changing future challenges, students adopt learning methods and abilities that will allow them to refashion themselves as fully competent problem solvers. In terms of life, we hope to cultivate people who are well-versed in humanism, art, and applied technology. As for aspirations, we hope our students can be taught to use good judgment and wisdom in their thinking.
