Describe in a maximum of 500 words, the major reasons that justify your application to this program. Consider the development of the following topics:

- As concretely as possible, your research interests and the complementarity between UNAM and UG for your research;
- Why you believe you are the right candidate for the exchange, including but not limited to academic excellence;
- Your plans for the future, and whether you would like to continue to engage in research (e.g., a PhD);
- If and how that would fit in the larger cooperation between Groningen and UNAM, in particular the potential for cooperation between research groups in the longer term (e.g., **joint publications between UNAM and the UG**).
